Tax Credit**

**Kenworth's T370 Class 7 Hybrid Tractor.
More Fuel Savings... and a Bigger Tax Credit.**

Kenworth hybrids offer fuel savings and lower emissions... and now a big tax break!

The T370 Kenworth Hybrid Diesel/Electric tractor rated at 55,000 lbs. GCW now qualifies for the highest tax credit in its class. What's more, it's designed to deliver up to 40%* improvement in fuel economy. Get a **\$9,000 tax credit** from the IRS on the World's Best hybrid truck, and reap the benefits of fuel savings and lower emissions all year long. Additional grants or rebates may be available for hybrid trucks. Check your local and state clean air websites for qualifications.

I'll give you a call next week to see if I can send you a Kenworth Hybrid brochure.
