

TRP® MATTRESSES

INNERSPRING MATTRESS

Our innerspring mattresses are made with industry trusted Bonnell coils. The hourglass shape of the springs provide support by easily flexing to allow responsive comfort to a driver. Each mattress is made with a $\frac{3}{4}$ " fiber quilted cover along with a fiber pad for an extra layer of comfort. We offer a wide variety of sizes and thicknesses to accommodate each driver's preference. Our mattresses are compatible with all truck makes and models.

6.5 FOAM MATTRESS

Our 6.5" foam mattresses are made with a high-density polyurethane foam. This allows for a more comfortable and restful sleep as it conforms to each individual body type. Each mattress is made with a $\frac{3}{4}$ " fiber quilted cover for an extra layer of comfort. We offer a wide variety of sizes and thicknesses to accommodate each driver's preference. Our mattresses are compatible with all truck makes and models.
